I CARRY A HAMMER IN MY POCKET FOR OCCASIONS SUCH AS THESE

Stories by Anthony Tognazzini

I Carry A Hammer In My Pocket For Occasions Such As These is a collection of 57 pieces that range in length from compressed paragraphs to 10-page stories. Its characters, voices, and surreal scenarios are unified in a playful vision of the world that is equal parts metaphor, memory, cartoon, tragedy, love story, and song.

Speed and brevity are a large part of the collection's design. In a culture where attention spans are shorter and more fractured, media is dominated by quick cuts and sound bites, and American schedules are fuller and faster, the need for a literature for the subway and the waiting room—something to resonate in the smaller gaps of our lives—is emerging. To this end, *I Carry A Hammer In My Pocket for Occasions Such As These* is quick, colloquial and comic, yet challenging and highly reflective. It offers readers—at a glance—a journey into a fictional world that is poetic and narrative, fantastic and familiar, accessible and adventurous.

“Reading Anthony Tognazzini is like having a surprise party thrown in your honor on every page. *I Carry A Hammer in My Pocket For Occasions Such As These* turns cartwheels, plants daisies, and sings love songs in honor of all that is strange, sad, serious, and sublime about being alive.”
